8/1-2
4 dreams
(2 days in bed)

② racing past car, maze behind oil trucks / Benel area being torn up for oil pass truck but cant road end up falling off

① ocean rising, boardwalk floods, separated from group, whirlpools keep me from getting anywhere and structures deserted

8/2 midday nap- Mark makes fun of me for not running as fast as he wants to race - I leave. made taunt

③ in middle of alien Talons property so cool dad denies letting us adventure

③ clinic, gun why does Spencer look so guilty - you don't say that! (mom) get up to point of sleep apnea info sheet

yellow bird 8/2 caged sings whistling reminds to of happy things gets my mind off heartless family, whistle is my anti anxiety / anti psych the psychologists / practitioners are on more drugs than anyone else

DUH! met slept really good last night
